Date: Thursday, March 21, 2019 | Time: 4:00 p.m. – 7:00 p.m.

Dr. Kimberly Samaniego
Director MDTP
Veteran Secondary Math Teacher

Dr. Kate Riley
Professor Cal Poly Mathematics
Dept.
Site Director of Cal Poly MDTP

Session 1 (4:00 – 5:30 p.m.):

“Engaging in Performance Task Learning Using MDTP Written Response Items”

Participants will solve high-ceiling, low-floor tasks designed to elicit evidence of student reasoning using teaching strategies to support Performance Task expectations. We will also learn about the resources and the effective uses of the MDTP Assessment System. Teachers walk-away with access to open-ended tasks and diagnostic tools to support their upcoming lessons.

Break (5:30 – 5:45 p.m.): Snacks and Informal exchange between experienced and novice MDTP users

Session 2 (5:45 – 7 p.m.):

“Intro to Desmos”

Teachers will be introduced to Desmos activities. Teachers can use Desmos to help students connect mathematical concepts to concrete, real-world shapes and pictures. Teachers will be shown how to start an activity with their students and how Desmos is changing how teachers are engaging with their students.
