**LOG IN**
4) Students are provided with exam instructions and may begin the test by clicking “Begin Test”.

Test Instructions: Calculus Readiness Test (CR60A17)

INSTRUCTIONS
1. Work each problem on scratch paper.
2. Select the best response from the given choices.
3. Do not spend too much time on one question or questions. Skip questions that you are spending too much time answering. You may return to skipped questions anytime during the test.
4. In scoring the test, only correct answers will be counted.
5. All scratch paper must be destroyed when the test is finished.

Begin Test
5) Students may navigate the test by clicking on the “Next” and “Previous” buttons or by clicking on the test question number. If a time limit was specified, the “Time Remaining” will be shown.

This document has been prepared as a supportive tool to MDTP copyrighted materials and should not be modified without the consent of the MDTP Director’s Office.
6) Responses are automatically saved each time a student answers a question or moves onto another question.
7) Students can keep track of their test progress by referring to the list of test questions at the top and the summary provided at the top right of the screen.

A green checkmark on the top right of the number indicates a saved response.
Orange double arrows indicate a skipped question, i.e. moving on to a different question without selecting an answer.
The filled blue circle is the question number the student is currently viewing.
Unfilled blue circles are the questions the student has not seen yet.

This document has been prepared as a supportive tool to MDTP copyrighted materials and should not be modified without the consent of the MDTP Director's Office.
8) When students are ready to exit the test, they can click the “Finish” button if they are on the last question of the test.
9) A popup will appear notifying students that their submission is final and will be unable to change their answers once submitted.

   a. Click “**Submit & Exit**” to submit answers and exit the test.
   b. Click “**Cancel**” to return to the exam.
10) If “Submit & Exit” is clicked, a popup window appears with a test summary and a list of topics needing review. Clicking “Logout” will exit the test and redirect the student back to the login screen.
11) Students can email a PDF of their test summary and a list of topics needing review or open the PDF immediately in a new tab.
12) Sample of Individual Student PDF.

Test Submitted for Studious Example

Submission ID 103502
Test started at 8:27:22 AM
Test ended at 8:27:55 AM

- 37 Unseen questions
- 12 Skipped questions
- 12 Answered questions

Your results indicate you need substantial review in the following topics:
Please click on the hyperlinks below to access review modules for each of the topics included in this list.

- Exponents & Radicals
- Functions & their Graphs
- Geometry, including Coordinate Geometry
- Linear Equations & Inequalities & their Graphs; Absolute Values
- Logarithmic & Exponential Functions & their Graphs
- Polynomials & Quadratic Equations & their Graphs
- Rational Expressions & Graphs of Rational Functions
- Trigonometry & Graphs of Trigonometric Functions
