Students Entering and Exiting a Test

1) Enter the following URL into the internet browser: https://mdtpassessment.ucsd.edu/

This document has been prepared as a supportive tool to MDTP copyrighted materials and should not be modified without the consent of the MDTP Director's Office.
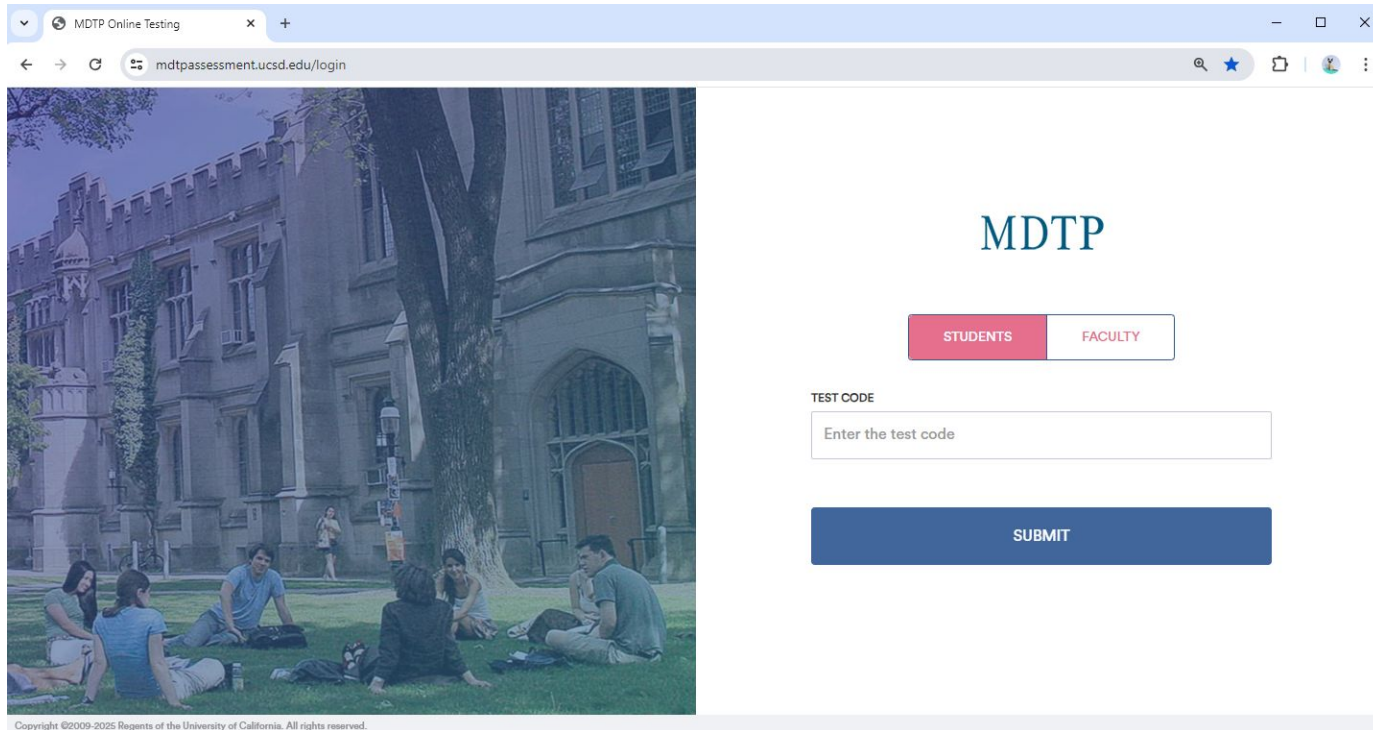

2) Enter the test code then select "**Submit**".

3) The information students will enter will depend on the type of class registration selected when creating the class:
Self Registration - Students will enter their **First Name, Last Name, and Enrollment ID**. **Email** is optional.
Pre-Roster Class - Students will enter their **First Name, Last Name, and Enrollment ID** according to the pre-rostered Excel that the teacher uploaded. Data must match in order for students to enter the exam. **Email** is optional.

4) Students are provided with exam instructions and may begin the test by selecting "**Begin Test**".

Test Instructions: Geometry Readiness Test (GR45A19)

This is a diagnostic assessment of students' readiness in foundational topics necessary for success in a California Common Core Geometry course as defined in the Traditional Pathway in the Mathematics Framework for California Schools.

CALCULATORS ARE NOT RECOMMENDED

INSTRUCTIONS

1. Wait for the proctor to instruct you to begin the test.
2. Work each problem on scratch paper, and select the best response from the given choices.
3. All scratch paper must be turned in when the test is finished.
4. For the best test results, you should not guess. If you cannot answer a question, leave it blank.
5. Skip a question that you are spending too much time answering. You may return to skipped questions at anytime during the test.

5) Students may navigate the test using the "**Next**" and "**Previous**" buttons or by selecting the test question number. If a time limit was specified, the "**Time Remaining**" will be shown.

6) Responses are automatically saved each time a student answers a question or moves onto another question.

7) Students can keep track of their test progress by referring to the list of test questions at the top and the summary provided at the top right of the screen.

A green checkmark on the top right of the number indicates a saved response. Orange double arrows indicate a skipped question, i.e. moving on to a different question without selecting an answer. And, the filled blue circle is the question number the student is currently viewing. Unfilled blue circles are the questions the student has not seen yet.
