Proctoring a Demo Test:

1) From the assigned test window or from within a class, click on the action button for an assigned exam, then select "**Proctor Exam.**"

This document has been prepared as a supportive tool to MDTP copyrighted materials and should not be modified without the consent of the MDTP Director's Office.

An exam code is generated immediately. If you select a future date, the exam code will become active only on that day. The date selected can be adjusted at any time prior to the date. The exam code and exam link can now be provided to the students for testing.
