Date:

09/11/2018

Number of students:

29

Number of items:

40

Average Score:

17.66 (44.14%)

Tier 1

Demonstrated readiness of the content in this topic needed for success in this course.

Tier 2

Approaching readiness of the content in this topic needed for success in this course.

Tier 3

Below readiness of the content in this topic needed for success in this course.

## Average Percentage Correct by Topic

The height of each bar represents the average percentage correct by topic. Hover over each bar to see the average number of correct questions divided by the total questions in that topic. Click on each bar to see the questions in that topic.

## Tier-Levels by Topic

Each colored section represents the total percentage of students in each tier by topic. Click on the highlighted sections in each bar to see the questions in that topic for students in that tier.

On the **Summary** page, scroll down to “**Tier Levels by Topic**” to select “Export as Excel”

## Tier-Levels by Topic

The table below shows the number of questions by topic, the range of correct responses defining each tier by topic, and the number and percentage of students in each tier by topic.
